Nitrogen (N)	3.5%	Zinc (Z)	0.07%	Phosphorus (P)	0.01%
Calcium (Ca)	0.15%	Manganese (Mn)	0.05%	Sulphur (S)	0.01%
Potassium (K)	0.1%	Magnesium (Mg)	0.04%	Iron (Fe)	0.01%

LAWN SOLUTIONS

ColourGuard PLUS

LIQUID FERTILISER AND NATURAL GRASS PIGMENT

ColourGuard Plus is a special blend of micronutrients and natural grass pigment, formulated to instantly enhance the colour of your lawn

CONTENTS
100ML

THIS BOTTLE TREATS UP TO
200M²

DIRECTIONS FOR USE

- SHAKE WELL BEFORE USE
- Measure and calculate the area (m²) you wish to apply ColourGuard PLUS to determine the mixture (Refer to the Application-Rate Table)
- Fill your tank with 85% of the water volume needed for your application. Add the recommended rate of ColourGuard PLUS to your tank of water. Pour the remaining 15% of water into your tank
- It's advisable to conduct a small patch test prior to spraying. Apply ColourGuard PLUS in an even sweeping motion
- Once spraying is complete, flush your tank and nozzle with clean water

PRECAUTIONS

- Do not re-use container
- Avoid applying to footpaths, driveways and other hard surfaces. Before drying, immediately hose-off any overspray on hard surfaces OR use a general purpose window or floor cleaner
- Allow up to 24 hours before desired result
- Allow adequate time for lawn to dry before walking on or applying water
- It's advisable to water well 48 hours after application to wash off any excess

SAFETY

Keep out of reach of children. If ingested or eye/skin contact occurs, dilute with water and consult a doctor.
