TREATS UP TO

1,250M²

**THIS PRODUCT IS A
CONCENTRATE. DILUTION
IS REQUIRED, REFER TO
APPLICATION RATE TABLE.**

PRODUCT BENEFITS:

- Effective bio-stimulant that contains amino acids and iron
- Maximises turfgrass colour retention and delivers a darker leaf colour
- Increased lateral growth during warmer months
- Improved grass density and grass strength
- Quicker root growth
- Improves winter dormancy transition

Iron Guard Plus is designed for use on all grass varieties in all climates. It is safe to use in a commercial or domestic situation, around humans and domestic animals.

Lawn Solutions Australia Pty Ltd.

PO Box 282, Berry, NSW 2535
ABN 15 161 332 323

DIRECTIONS FOR USE:

- Measure and calculate the area (m^2) you wish to apply Iron Guard Plus to and use to determine mix (refer to the Application Rate table)
- **SHAKE CONTAINER WELL BEFORE USE**
- Fill your tank with 85% of the water volume needed for your application. Add the recommended rate of Iron Guard Plus. Pour the remaining 15% of water into your tank
- Apply Iron Guard Plus in an even sweeping motion across the turf whilst moving away from the applied area
- Apply monthly when active growth is present or when nutrient deficiency symptoms are visible to maintain even growth and colour for your lawn

PRECAUTIONS

Do not apply during the heat of the day. Avoid applying to footpaths, driveways and other hard surfaces. This product contains iron, and if not washed off immediately it can stain hard surfaces.

SAFETY

Keep out of reach of children. Avoid contact with eyes and skin. If contact occurs, flush with water and consult a doctor. May be harmful if swallowed. If accidental ingestion occurs consult a doctor.
