YOUR LAWN**

CONTENTS

10L

THIS BOTTLE TREATS UP TO

25,000M²

**THIS PRODUCT IS A
CONCENTRATE. DILUTION
IS REQUIRED, REFER TO
APPLICATION RATE TABLE.**

PRODUCT BENEFITS:

- Delivers 100% natural, micron-sized pigment solids into the pores of your turf's leaf tissues
- Once dried, it's locked in. ColourGuard Plus won't bleed or run once absorbed
- Provides your turf with up to three months of great colour

ColourGuard Plus is designed for use on all grass varieties in all climates. It is safe to use in a commercial or domestic situation, around humans and domestic animals.

PO Box 282, Berry, NSW 2535
ABN 15 161 332 323

DIRECTIONS FOR USE:

- Measure and calculate the area (m²) you wish to apply ColourGuard PLUS and use to determine mix (refer to the Application Rate table)
- SHAKE CONTAINER WELL BEFORE USE
- Fill your tank with 85% of the water volume needed for your application. Add the recommended rate of ColourGuard PLUS. Pour the remaining 15% of water into your tank
- Apply ColourGuard PLUS in an even sweeping motion across the turf whilst moving away from the applied area
- Once spraying is complete, flush your tank and nozzle with clean water
- Allow adequate time for turf to dry before walking on or applying water
- Allow up to 24 hours before desired result. It's advised to water 3 days after application to wash off any excess

PRECAUTIONS

Do not apply during the heat of the day. Avoid applying to footpaths, driveways and other hard surfaces. This product contains pigment and iron, and if not washed off immediately it can stain hard surfaces.

SAFETY

Keep out of reach of children. Avoid contact with eyes and skin. If contact occurs, flush with water and consult a doctor. May be harmful if swallowed. If accidental ingestion occurs consult a doctor.
