THIS PRODUCT IS READY TO USE. REPLACE CAP WITH PROVIDED HOSE ATTACHMENT AND FOLLOW DIRECTIONS.

PRODUCT BENEFITS:

- Delivers 100% natural, micron-sized pigment solids into the pores of your lawn's leaf tissues
- Once dried, it's locked in. ColourGuard Plus won't bleed or run once absorbed
- Provides your lawn with up to three months of great colour

ColourGuard Plus is designed for use on all grass varieties in all climates. It is safe to use in a domestic situation, around humans and domestic animals.

DIRECTIONS FOR USE:

- Replace lid of bottle with hose-on attachment (if not already attached)
- Shake well before use and ensure bottle remains upright during application
- Attach hose-on bottle to hose and flip up black tab from top of sprayer
- Turn on tap and ensure bottle is pointing towards intended spray area
- Gently pull up black tab and sprayer will immediately start spraying
- Apply evenly to lawn
- Allow adequate time for lawn to dry before walking on or applying water
- Allow up to 24 hours before desired result. It's advisable to water 3 days after application to wash off any excess

PRECAUTIONS

Do not apply during the heat of the day. Avoid applying to footpaths, driveways and other hard surfaces. This product contains pigment and iron, and if not washed off immediately it can stain hard surfaces.

SAFETY

Keep out of reach of children. Avoid contact with eyes and skin. If contact occurs, flush with water and consult a doctor. May be harmful if swallowed. If accidental ingestion occurs consult a doctor.
