CONTENTS

2.5L

TREATS UP TO

1,250M²

**THIS PRODUCT IS A
CONCENTRATE. DILUTION
IS REQUIRED, REFER TO
APPLICATION RATE TABLE.**

PRODUCT BENEFITS:

- Available Nitrogen for optimum leaf uptake and green up
- Soluble Phosphorus to increase plant strength and lateral growth
- Potassium to harden leaf cell wall and foster harder wearing turf
- Iron and Manganese to enhance a darker green colour

Exceed is designed for use on all grass varieties in all climates. It is safe to use in a domestic situation, around humans and domestic animals.

Lawn Solutions Australia Pty Ltd.

DIRECTIONS FOR USE:

- Measure and calculate the area (m²) you wish to apply Exceed to and use to determine mix (refer to the Application Rate table)
- SHAKE CONTAINER WELL BEFORE USE
- Fill your tank with 85% of the water volume needed for your application. Add the recommended rate of Exceed. Pour the remaining 15% of water into your tank
- Apply Exceed in an even sweeping motion across the turf whilst moving away from the applied area
- Lightly water-in after application
- Apply monthly when active growth is present or when nutrient deficiency symptoms are visible

PRECAUTIONS

Do not apply during the heat of the day. Avoid applying to footpaths, driveways and other hard surfaces.

This product contains Iron and if not washed off immediately it can stain hard surfaces.

SAFETY

Keep out of reach of children. Avoid contact with eyes and skin. If contact occurs, flush with water and consult a doctor. May be harmful if swallowed. If accidental ingestion occurs consult a doctor.
