SCAN FOR MORE INFO

Lawn Solutions Battle Hose-On is a highly effective, fast acting product that kills Lawn Beetles, Grubs and other insect when they come into contact with it.

HOW TO APPLY:

- Shake the pack well before use.
- Flip up black tab from top of sprayer.
- Connect hose to applicator and turn the water on.
- When ready to apply Lawn Solutions Battle Hose-On, gently pull up black tab and applicator will immediately start spraying. The tap water will mix with the mixture automatically in the correct ratio.
- Walk and spray at a steady pace whilst sweeping the spray in a back and forth arc.
- When finished applying, push black tab back down, then turn off your tap to avoid increasing water pressure in your hose.
- On completion, re-insert black tab with the two-pinned plug to seal holes.

CAUTION: DO NOT use indoors. DO NOT allow chemical containers or liquid to get into drains, sewers, streams or ponds. POISONOUS TO FISH. DO NOT apply within 2 metres of fish pond or water containing fish or other aquatic species. DO NOT spray directly onto humans, pets, exposed food, food preparation areas or food utensils. DO NOT enter sprayed area until the spray has dried.

SAFETY DIRECTIONS: Harmful if swallowed or inhaled. Avoid contact with skin. Do not inhale spray mist. Wash hands after use.

STORAGE & DISPOSAL: Store in the closed, original container in a cool, dry place out of reach of children and pets. DO NOT store in direct sunlight. Dispose of empty containers by wrapping in paper, placing in a plastic bag and putting in garbage bin.

FIRST AID: If poisoning occurs, contact a Doctor or Poisons Information Centre. Phone Australia 131126.

PESTS CONTROLLED

Lawn Armyworm, African Black Beetle Adults, Billbug Adults, Sod Webworm, Agentine Stem Weevil Adults
